Our School

The Chili School Building was built in 1917 during the time in which E. C. Love was township trustee. The building, situated at a very favorable location and with the most modern improvement, was quite an asset to the community. Before that time students had attended school in the old frame building across from the M. E. Church.

In 1924 the gymnasium was built and since that time many additions have been made in modern equipment, the most noticeable being made during the last few years.

We are truly proud of our school.

MRS. BOLLINGER—

So nigh is grandeur to our dust,
So near is God to man
When duty whispers, "Lo! thou must,"
The youth replies, "I Can."

MR. HATTERY—

"I have to live with myself, and so
I want to be fit for myself to know
I don't want to stand with the setting sun
And hate myself for the things I've done."

MR. DONALDSON—

It counts not if you won or lost,
But how you played the game.

MR. CAREY—

What you are speaks so loud
I can't hear what you say.

Smile and the world smiles with you,
Weep and you weep alone.

Senior Class History

Listen my children and I shall tell,
The history of our class we love so well.
For there were some in our Freshmen year
That some of you have forgotten, I fear.

There was Josephine Craft, do you remember?
That came to our school along in December.
Then moved away again next spring,
Well, further than that, I don't know a thing.

Then the next one to leave was Charley Moon.
We hated to have him go so soon,
For he helped to win in our ball games,
But our loss was New Waverly's gain.

Annabelle Miller moved away, too,
Before that year was completely thru'.
And Agnes Miller, that charming girl,
Decided Indianapolis would be her next whirl.

While all of these were leaving our ranks,
We have one to whom we owe thanks.
For Annabelle Allen with her winning ways,
Came to brighten the last of our Freshman days.

'Twas in our Sophomore year, you remember,
Joe O'Neal came back to our class as a member.
We were glad to have him back, I confess.
Peru school just didn't suit him, I guess.

Then Ruth Love, also, left our group,
And joined Doud's orchard working troupe.
And Buddy Tyner, or by rights Paul Doud,
Left us—joined the Navy for which we are proud.

Then there's Max Wright or "Mickey" as we say,
Has been with our class from our first Freshman day,
And while Freshie and Senior he's been president,
A good deal of time on the ball team he spent.

Elmer Miller, too, has been with our gang,
From the very first day our Freshman bell rang.
Along with these are some girls, you know, too,
That started as Freshman in 1942.

Frances Musselman, quite tall and slender,
Her sweet personality to our class did render.
And Marilou Swantner, president, as a Sophomore.
When a Junior led the school in yells—galore.

Then, too, there's Betty Long, you know,
Who helped to make all projects go.
As a Senior, Frances Thomas came along
And helped to make our happy throng.

Class History, continued

Paul Chester from the East Side came,
Helped make these four years, "Years of Fame."
In athletics he was good, and also in books,
And none in the class could pass him in looks.

Jim Poor, who came from the East Side, too,
Sure did his bit to help us thru'.
Quite the "life of the party"—we'd say,
In his own peculiar way.

Then there's Maxine Hileman with all those good grades,
Helped raise the standards and also the aims.
And Catherine Wray with her jolly ways
Would always cheer us on dreary days.

Homer Line has been with us since our Freshman year,
Without him we'd not have succeeded, I fear.
We'll remember him along with the rest of the team,
Tho' they didn't win all tourney's, we can still dream.

Now in our Junior year it seems,
So many things happened and they weren't dreams.
For our play, "Campus Quarantine," was sure a success,
And the carnival, too, wasn't just such a mess.

But, oh, our trip to the Windy City,
I just can't tell it all in this little ditty.
For we saw so much and had so much fun,
I could write all day and would have still just begun.

The airport, the big printing press, the museum,
And the radio station were just like a dream.
The train ride, the station, hotel and shows,
After seeing so much we were tired, goodness knows.

As Seniors we have all been busy this year,
With studies, ball games, both there and here,
Selling pop and chances and doing our best,
To get enough money to go East not West.

Our play this year, as you know brought in quite a sum,
Along with our suppers, but we'd just begun.
For all this selling of books for prizes and all
Along with the ads for the Ann—u—al.

The Term's nearly gone; we get out in April,
And go on the trip if we are still able.
My, I'm glad it's all over; now we can rest,
When we're back from our trip in the East not West.

During these years we must keep in mind
The past teachers—so good and kind.
And all the present ones, who've helped and planned
To make our high school days so grand.

Class Will

We, the class of 1946 of the Chili School do hereby make and declare this to be our last will and testament in form and manner as follows:

To the entire school we leave the example we have set as worthy scholars and blameless students.

To the community at large we bequeath the influence we have been for the honorable and better things in life.

To the Junior Class we bestow our richest treasures. Our Senior dignity, our excelling wit, our brilliancy, our good looks, our charming manners, our favor with the teachers, our splendid grades and our triumphant exit as the most popular class this school has ever seen — these we hand to the coming Senior Class.

Also our love for fun, our ability to giggle, our good times, our friendship and our loyalty we do hereby bequeath to the Junior Class.

The following personal traits or property which we possess, or claim to possess, we leave to the Juniors to be held by them or thrown away, just as they wish.

We, Catherine, Maxine and Marilou, will our job as "county commissioners" to Clarabelle, Alice and Deloras.

We, Joe, Mickey and Jim, will our "butch haircuts" to Victor, Bill and Hetzner.

I, Frances Musselman, will my stubbornness to Laurabelle Eikenberry.

I, Jim Poor, will my speed in basketball to Dooly Swantner

I, Mickey Wright, will my ability to get out of work to Lowell Grumpp, and my ability to say "goodness" to Don Click.

I, Joe O'Neal, will my superb ability with the girls to Harold Jones.

I, Frances Thomas, will my ability to type accurately to Clarabelle Vining.

I, Paul Chester, will my ability to go steady to Joe Brown

I, Marilou Swantner, bequeath my motto "Stay Free While You May" to Marilyn Chester.

I, Homer Line, bequeath my ability to keep late hours to Roy Smith.

I, Catherine Wray, hereby bequeath my ability to attract men to Marguerite Fouts.

I, Maxine Hileman, bequeath my ever ready smile and slim figure to Deloras Stelts.

I, Annabelle Allen, bequeath my quick, hot temper to Bob Butcher. Watch it, Bob.

I, Elmer Miller, hereby bequeath my ability to behave in school to Joe Hetzner.

I, Betty Long, bequeath my religion to Alice Resler in hopes that she will make use of it.

I, Maxine Hileman, bequeath my modesty to Clarabelle Vining.

I, Marilou Swantner, hereby bequeath my ability to make love to Bill Hostetler.

I, Catherine Wray, hereby bequeath my ability to wisecrack to Victor Sterling.

To the Sophomore Class we give our motto, "The Future Is What You Make It."

To the Freshmen we will our courage to fight for the education that has gained for us this position in school.

Last but not least we give to the faculty our books, which only they can appreciate.

IN WITNESS WHEREOF, we hereunto set our hand and signature this nineteenth day of April, 1946.

Class Prophecy

AMAZING DISCOVERIES MADE IN EXCAVATION OF BURIED CITY! ! ! This was the report that spread like fire throughout a certain city on the morning of May 31, 3000 A. D.

With one accord the whole populace dropped its activities and flocked to the scene where, before their wondering eyes, a long-dead town began to reveal its secrets under the picks and shovels.

"What's the name of the town?" someone called, and without delay a second voice called back, "CHILI."

True enough, it turned out to be Chili, a small town that had flourished a thousand years before. Then it had disappeared with the passing of time, until like Rome, it was buried by centuries of debris, and had come into its own once more. Suddenly a voice arose above the other excited buzz of voices. "What is it? What is it?" everyone wanted to know.

"We've found a picture of the mayor," one of the diggers answered breathlessly. "Here it is. Take a look!"

"Oh, what a handsome man!" several of the ladies sighed.

"What was his name?" one gazer wanted to know. They turned the picture over and there on the back they found the answer to this last question. In large black letters they beheld the mayor's name: Joe O'Neal. But scarcely had they had time to repeat the words before another loud shout arose. More amazing discoveries had been made.

They read of the graduating class of 1946 in an old newspaper, called the Chili Pepper. This was once only a high school paper, then edited by Mickey Wright, who lived in the suburbs of Chili.

Annabelle Allen had received a legacy from a distant aunt and had been rich beyond the power of imagination. Everyone was happy about this, and agreed she deserved this newly found wealth after supporting her shiftless husband, George Swantner, and their six kids the earlier part of her life.

Jim Poor, due to his arguing ability acquired at old CHS, had been a professional lawyer and had worked on a most unusual case. Maxine Hileman had gone to court to obtain damages from a certain Homer Line. While flying his airplane over her house, he flew too low and knocked the chimney off of her domain. Homer then served ten years, but not as a prisoner. He served under Maxine, who took in washings to keep the home fires burning for her worthless husband and five children.

Catherine Wray, after graduating from Purdue University, refused a Hollywood offer in order to marry Elmer Hanes, who had been elected governor of Indiana. Cathrine's name had been listed among the truly great when she received a prize for having the healthiest baby in the state.

They read where Mayor O'Neal had appointed Mickey Wright, the local newspaper editor, to the position of Judge of the Supreme Court. You know how log rolling in politics had always been through the centuries. It helped people get jobs that were not absolutely fitted to them.

Elmer Miller after graduating had not been able to find his type of girl so he left home and joined the army. He was in the field artillery. He had to dampen the powder every day to keep it fresh.

Betty Long had been a great artist; her name had been known from shore to shore and from continent to continent; her paintings had hung in the great art museums of the world. This didn't make her happy, though, because she had been disappointed in love.

Frances Musselman had been the wife of Paul Chester, of course. Paul and Frances lived in two rooms over the butcher shop where Paul worked. He was half owner of the shop and Frances was president of the Ladies' Aid. Incidentally, the kids had just recently recovered from an attack of measles.

Frances Thomas had been typing out "I Owe You's" at the Mayor's General Store in Chili.

Marilou Swantner had always been the romantic type; the kind that went out with Jim, told Bill she loved him, and swore to be true to Victor. It seems that lately, however, the band with which she has been singing has been practicing "The Wedding March" for her and Richard Neff's benefit. Do you think she can settle down to just one love? We do.

Senior Class Poems

Look who's here!
It's the Senior Class;
And our history is a record rare;
No other class such qualities bear.
Graduation brings regret
And I look back and remember yet
We were all legs and awkward limbs
And giggly in our way.
Yet, it's with longing
We look back to those dear old Freshman days.
We should be serious—but we aren't;
We're gay as larks at dawn.
We should be silent, but we can't;
We leave that to the clams.
What a band we are—
An honor to our school.
In and out we've kept
The finest kind of rule.
We have done our best,
But we'll take our crutch and go—
We really need a rest.

Together we have climbed these years,
Have drowned defeat and conquered fears;
Together we have met the call—
Jim, Betty, Annabelle and Paul.

Frances and Elmer were by our side,
And all the rest who here abide.
Yes, there is Maxine who led the class
Her skill in typing none could pass.

Joe's reputation grew and grew;
We marveled at the things he knew;
Mickey could remember all the dates
They crowded into our poor pates.

We won't forget how Marilou sang,
Or yet the hearty wholesome bang
With which Homer always came;
Though scolded—still—he barged the same.

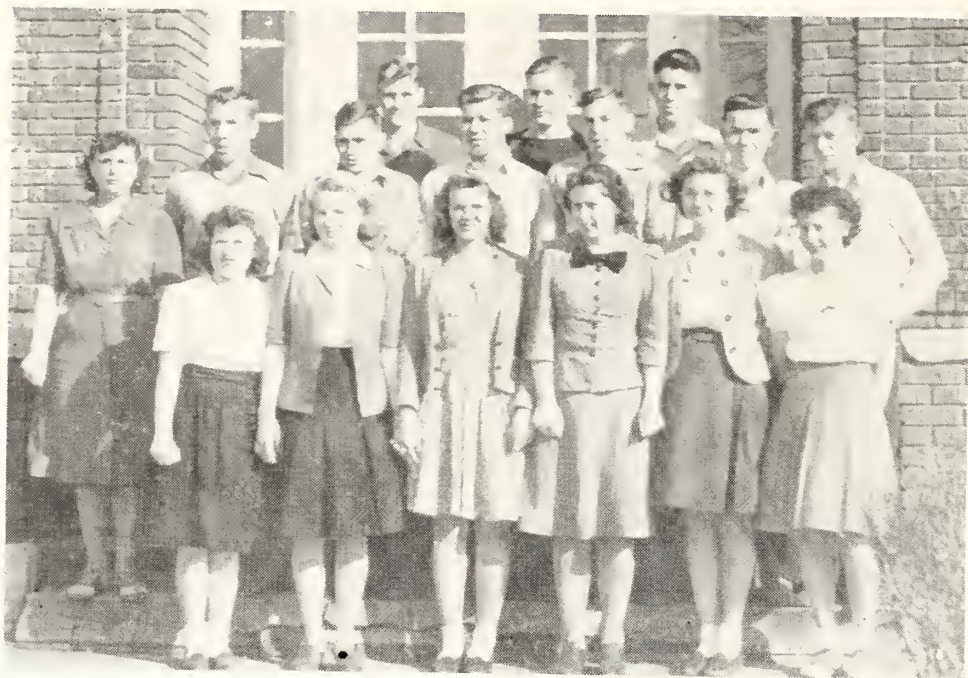

A merry class! A lively class!
There's none our humor could surpass;
We sang, and danced, and grew more gay,
As neater drew Commencement day.

All honor to our worthy school;
We always obeyed the Golden Rule;
First in work and first in play;
What higher praises could one say?

Our footsteps pass; each member of the class
Battled many fears—waited through the years.
Here we are—arrived at last—

Junior Class History

In the year of 1943, the East Side School gave to Chili their prize pupils, namely Marlyn Chester, Mildred Hudson, Marguerite Fouts, Alice Resler, Donald Hudson, Leland Smith, Harold Jones, Bill Hostetler, Lowell Grumpp, Thomas Titus. From Chili Junior High graduated Laurabelle Eikenberry, Edna Love, Ruth Ann Leffel, Lucille Hoover, Joseph Brown, Donald Click and Merle Swantner.

In our Freshman year Thomas Titus, Edna Love and Ruth Ann Leffel withdrew from our class, but we were helped by the enrollment of Pat Fisher, Robert Butcher, Gaythal Robbins, Victor Sterling, Carmon Van Overbake and LeRoy Smith.

In our Sophomore year we lost Mildred and Donald Hudson and Carmon Van Overbake, but coming to join our ranks were Alice Peiffer, who later moved away, Clarabelle Vining and Joe Hetzner. In this, our Junior year, we have lost Lucille Hoover, Pat Fisher and our vice-president Gaythal Robbins but, Delores Stelts has offered her services to our worthy organization.

Our class has a record of which we are very proud and justly so.

Basketball Dope

Forward

Paul Chester (Senior)

Chet has played on the team for the past 3 years. His ability to drive through-out the game will not be forgotten.

Forward

Joe O'Neal (Senior)

Joe was the tallest player of Chili's speediest players and always showed plenty of fight.

Guard

James Poor (Senior)

Jim has played guard for the past 2 years. He was one we had ranging 6 ft. which made him a nice man to have under the basket.

Guard

Merle Swantner (Junior)

By next year Dooly ought to make a fine guard. He is a good long shot and a fine defense man. He'll be back next year.

Center

Lowell Grumpp (Junior)

Lowell is our second string center. His ability to jump will make him a valuable man to be back fighting for Chili next year.

Center

Homer Line (Senior)

Doc played center. His ability to rebound and fight has made him a popular player among the Chili fans. He will be missed plenty next year.

Guard

Elmer Miller (Senior)

Elmer didn't play much but was one of Chili's fine guards. He has been on the team for the past 2 years.

Forward

Don Click (Junior)

Don is a fine offensive man and by next year he should have plenty of height to make him dangerous under the basket.

Guard

Harold Jones (Junior)

Harold was a guard who was called on when he was needed. He had a good shooting eye and never got excited. We hope he will be back fighting for Chili next year.

Guard

Max Wright (Senior)

Mickey has played guard for the past 2 years. He was known as the "Tower of Defense," a very fine guard.

Trophies of C H S

The trophies in the above picture are the ones won during the current year by the teams of 1945—46. The first was won when our local team defeated CONVERSE in the softball tournament 2 to 1. The game was played at BUNKER HILL.

The basketball trophy was won at the blind tourney when CHILI defeated both Mexico and Gilead in two hard fought games played at MEXICO. We defeated MEXICO 36 to 30 and GILEAD 24 to 14. Our coach was John L. Donaldson. With his cooperation the CHILI team entered into the tourneys and always made fine showings. He will always be remembered as one of CHILI'S finer coaches.
